- Regression and Classification of Data.

SKILLS

Adobe Photoshop

Blender

Figma

HTML5

CSS3

JavaScript

Linux

Adobe XD

PERSONAL PROJECTS

Bon Appétit App Design (06/2021 - 08/2021)

- Bon Appétit is a Food Delivering Company. I used Figma to create the initial low fidelity prototype after some usability study created a high fidelity app

Coders Website Design (08/2021 - Present)

- Coders is a website used to find courses and books related to programming. This is currently under the low fidelity prototype mode, which was created in Figma. The high fidelity prototype is in building using Adobe XD.

Portfolio Website (08/2021 - Present)

- Every developer needs a portfolio website. My portfolio website is made using HTML, CSS and JavaScript.
